IMPORTANT REHEARSAL & PERFORMANCE INFORMATION...

Please check your schedule carefully... cast members are sometimes required at MORE THAN ONE timeslot during a rehearsal day. This is one of the shortest rehearsal periods we have ever had to produce a full scale large cast musical. With such limited rehearsal time, it is extremely important that cast members attend each and every scheduled rehearsal (the only exception is dates previously discussed or written on your audition form). Due to the short rehearsal period, we do not have time for extra rehearsals. If a cast member misses a rehearsal, it is likely that he/she will not be able to learn the routine in time and therefore will not perform in that number.

TBA rehearsals are scheduled towards the end of the rehearsal period for any songs, dances or scenes that require extra work. Please make sure you are available for TBA rehearsals in case you are required.

For performances, cast members must arrive at the theatre 60 minutes prior to performance time for costume and make-up. Principal cast members (and supporting cast members who begin the show wearing a microphone) must arrive 90 minutes prior to performance time for sound checks.

Our charity shows have now raised \$138,000 for The Children's Hospital at Westmead, and we look forward to increasing that donation total with profits from Oliver. We ask all cast members and their parents/families to support our fundraising activities. Anyone who can donate a prize for our raffle or auction, please let us know asap.

At our weekend rehearsals, we have a bake sale. Cast members are asked to bring some homemade cakes or biscuits to a rehearsal for us to sell. Our performers can work up an appetite at rehearsal... especially when they've been dancing! All of the money raised from our rehearsal bake sale is donated to the children's hospital. Last year our bake sale raised over \$1,000! Any yummy treats you can send along to a rehearsal would be greatly appreciated.

Any parents who can help with sewing costumes, set building, marketing or fundraising... please contact Sam. We would love to have your help!
